

Surrounded by beautiful things

Beautiful gardens, a sculpture park and a large collection of paintings in the interior you can experience here. On this 600-year-old estate, which is unique in the Mediterranean as a national art centre, you have a free choice between different places to celebrate. Here art collectors and connoisseurs get their money's worth. Let yourself be carried away by this very special experience. Experience your wedding in Mallorca with your guests in this country house full of character.
