

Country estate with stately garden

This perfectly maintained manor house is owned by the nobility and has high-quality Majorcan furnishings. It has a large terrace and a very nice alternative in the old vaulted cellar. Here a ceremony can take place in the house chapel, the garden, the threshing place or directly at the beautiful pool with bath house. The impressive forecourt offers a great backdrop for the aperitif. Also for the wedding pictures of this special day you find here many fantastic motives.
